РНЦЭМП и BLK Super Specialty Hospital будут совместно готовить специалистов

Республиканский научный центр Экстренной Медицинской Помощи (РНЦЭМП) и BLK Super Specialty Hospital (Индия) подписали меморандум о взаимопонимании, чтобы установить взаимовыгодное сотрудничество в разных областях. Документ подписали генеральный директор РНЦЭМП Абдухаким Хаджибаев и директор BLK Super Specialty Hospital Нареш Капур.

В рамках меморандума стороны организуют обмен студентами. BLK Super Specialty Hospital окажет содействие узбекской стороне в обучении и развитии докторов для экстренной медицины. Узбекские доктора смогут пройти обучение в госпитале BLK Super Specialty Hospital в Дели.

Нареш Капур отметил, что данное партнерство поможет усилить возможности РНЦЭМП. Он добавил, что индийская сторона поможет в проведении мастер-классов и специальных хирургических семинаров для узбекских специалистов.

В BLK Super Specialty Hospital также окажут содействие в подготовке молодых специалистов.

5/11/15 - Uzbek, Indian medical institutions sign MOU [UzDaily (Uzbekistan)]

Tashkent, Uzbekistan (UzDaily.com) The Delhi-based BLK Super Specialty Hospital has signed a memorandum of understanding with Republican Research Center of Emergency Medicine (RRCEM) to establish cultural, educational, scientific and medical cooperation in various spheres on the basis of equality and mutual benefit.

RRCEM is the biggest emergency care provider in Uzbekistan. Among others, this shall pave way for development of joint international projects and research.

The MoU was signed by BLK Super Speciality Hospital Director Mr Naresh Kapoor and Dr Abduhakim Khadjibayev from RRCEM.

This pact will enable both hospitals to organize an exchange programme for undergraduate and post-graduate students. BLK Super Speciality Hospital will help in training and development of doctors for emergency care at the hospital in Uzbekistan. These trained doctors can then avail advanced training and observership in emergency care at the BLK Super Speciality Hospital in Delhi.

"We are pleased to get into this agreement with RRCEM. We are certain that our state-of-the-art infrastructure and pool of highly talented doctors shall be able to contribute meaningfully to strengthen the capabilities of RRCEM," said Mr Kapoor. He further added, that among other, BLK Super Speciality Hospital will help conduct master classes and specialized surgical workshops nine emergency care to expose students and doctors with high end infrastructure and expert hands. Apart from various types of cancer, patients with neuro, ortho, cardio, BMT, ITP, spine conditions travel to India. "We shall strive to develop a training programme for doctors in Uzbekistan to train them, so that they can deal with these conditions in their own country," added Mr Kapoor.
