## 21. Daily Hunt

New Delhi [India], September 8 (ANI/PNN): Arwade Infrastructure Limited, India's pioneer Design & Build Company, is set to add another landmark development to its portfolio by constructing ESR's first Urban Distribution Centre in Delhi.

This project will amplify in-city distribution in Delhi with much-needed Grade A infrastructure to support quick commerce activities in densely populated catchment areas of Rohini, Shalimar Bagh, Pitampura, Ashok Vihar and Model Town.

ESR chose Arwade Infrastructure Limited as the project's construction partner because of the company's in-depth technical expertise, local land development knowledge, and significant experience in establishing greenfield and complex brownfield projects in line with global safety and quality standards.
