Intellect Bizware implements SAP S/4HANA at Jyothy Laboratories

SAP partner Intellect Bizware Services Pvt. Ltd. has announced the successful go-live with SAP S/4HANA for Jyothy Laboratories, India-based multi-brand, multi-product company focused on FMCG Industry.

Ravi Razdan, Head – Systems & HR, Jyothy Laboratories Ltd. said, "With SAP S/4HANA, we are aiming to bring process eminence to our organization and empower to drive our core businesses with enhanced

simplicity and effectiveness."

SAP S/4HANA was designed to enable businesses to both master the challenges and leverage the benefits of digitalization for businesses. Jyothy Laboratories aims to move to the next level through digitization of every business process along with a workflow for continuous business improvements. SAP helped Jyothy Laboratories to Run Simple while minimizes costs and disruptions.

Intellect Bizware Services Pvt. Ltd. Key Developments

Jyothy Laboratories Ltd. Selects Intellect Bizware Services Pvt. Ltd. as Strategic Partner to Transform Business with SAP S/4HANA

Jul 11 17

Intellect Bizware Services Pvt. Ltd. announced the successful go-live with SAP S/4HANA for Jyothy Laboratories. SAP S/4HANA was designed to enable businesses to both master the challenges and leverage the benefits of digitalization for businesses. As the modern digital core, it serves as the nerve center of the enterprise. SAP S/4HANA has the power to significantly accelerate the speed of both transactional and analytics performance and radically reduce an organization's data footprint. As a system of intelligence, it offers decision-making support, simulation, pattern recognition, and prediction capabilities to help organizations transform from the reactive to the proactive. Integration not only between departments, but also with suppliers, customers, the workforce, and the Internet of Things makes immediate and valuable insights across an entire business.
